Rugby fans now have two ways to read RUGBY Magazine every month.

The magazine is now available to iPhone and iPad. Readers can download the free app here:

https://itunes.apple.com/us/app/rugby-magazine/id587385785?ls=1&mt=8

And then you can subscribe to the magazine or buy individual issues, which are then delivered directly to your device.

The latest issue is out right now.

And as usual, you can access RUGBY Magazine by subscribing to RUGBYMag.com Premier. The advantage of this plan is that you also get access to exclusive news, columns, and other content all month long at RUGBYMag.com, and the magazine is readable on any device.
