

What a Year!

And it's not over.

The staff at **RUGBY Magazine** is working on the 2013 Year in Review, and this year, we have a change.

OK, two changes.

1. We will add in more historical information and contact data for new leagues and competitions to help players and clubs navigate the confusing waters of American Rugby.
2. We will print the Year in Review on Paper!

That's right. While our RUGBY Magazine is an electronic-only publication, our Year in Review will be available in both printed and electronic versions!

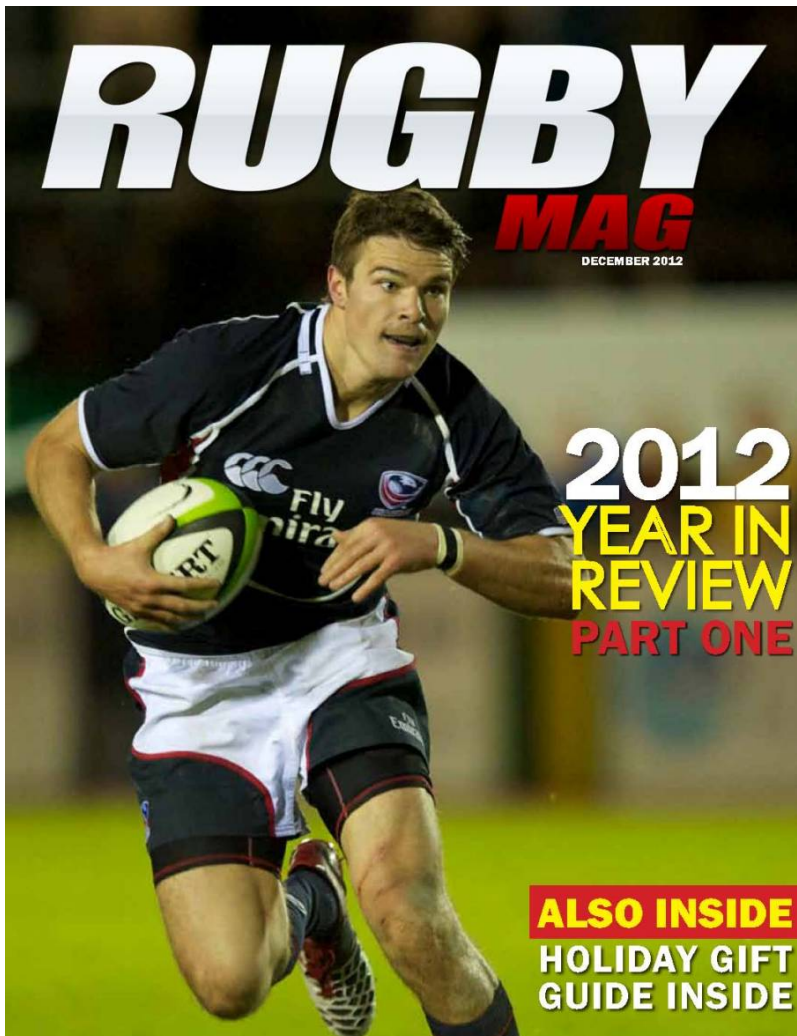

RUGBY Magazine Year in Review

Ordering information is coming soon. Right now, though, we want you to advertise.

The **Year in Review** is a magazine rugby fans will keep all through the year. It's a reference as well as a magazine, and as such, your ad will be a reference, too.

- Promote your club – it's an ongoing recruiting tool.
- Promote your school – Get your college or grade school involved in recruiting students!
- Promote your tournament – make sure everyone knows when your next tournament is months in advance.

Promote your camp – camps and clinics are crucial elements in developing the game. Make sure everyone knows about yours!
