## Americans Overseas: Hume, Lamositele in News

Luke Hume did himself no damage in Monday's Gloucester United A League game in England, scoring a try for his squad in their 13-12 loss to Sale Jets.

The Jets scored at the death to win. Hume did have a little trouble on a kick deep, but the problem didn't amount to much, and the USA wing is still in with a shot to secure a contract with the team.

Meanwhile, young USA prop Titi Lamositele, who was rumored to be trialing with Saracens back in February, but didn't, will apparently be going to the club now. Lamositele posted a tweet that he is off to train with Saracens. Whether that is a trial with the full club, or a trial with the academy, or something else, remains to be seen.
